

EAT NEW YORK

— *Street Diner* —

THE BAGEL WAGON

THE BAGEL WAGON. A meat and bread slingin' food truck with a New York taxi cab swagger, knocking out salt beef bagels, cheeseburgers, hot dogs, meat-ball subs, fries, shakes and sodas. Everything we serve is oozing with sauce and flavour and all of our ingredients are fresh and locally sourced. **BIG YELLA** is a seasoned festival machine, small and compact but with big output.

THE BAGEL WAGON
